It's time to come back to Moor Nook

A word from A Word from Andy, Rob and Andrea

There is a lovely bit of momentum building at Moor Nook.

Breakfast Club is becoming part of the furniture now, and it is ace. Kids are coming in, having some breakfast and starting the day calmly. If you have any questions about it, just grab one of us on the yard.

Plans are also coming together for **Late Stay**, our after-school provision. More details will follow soon.

A big thank you to **Debbie** and everyone who came to the coffee morning. It was class. Schools work best when families and staff work together, talk to each other and feel part of the same community.

A couple of important jobs this week:

Please check your child's hair for head lice. If you find any, treat the hair and check everyone else at home too. It is very common, nothing to be embarrassed about, but we need everyone to help stop it spreading.

Flu vaccination forms are coming out today. The nasal flu vaccinations are on **Wednesday**, so please look out for the form and complete it as soon as possible.

Year 5 and Year 6 Waterpark deposits are coming in too, and the response has been brilliant. If money is a worry, or you have any questions, speak to **Andy, Rob, Andi or Debbie**.

Please do.

We can help, and we will help.

There is a real buzz around Moor Nook at the moment.

Help us spread it - **Come on. Get on board.**

This Week's Focus - Join us, help us, support us

Stuck? Let us help you. We're on the same side. Promise.

Moor Nook Primary School

It's time to come back to Moor Nook

Creativity • Aspiration • Resilience • Equality

We are continuing to build strong relationships across Moor Nook.

With kids. With parents. With staff. With our community – its immense, and I love it

We are also continuing to build clear routines across school. Kids need to know what is expected, and they need to know that those expectations will stay the same.

Our three big words remain:

Ready. Respectful. Safe.

This week, we are also reminding kids to:

Keep hands and feet to themselves.

We do not have a big problem with this, and we want to keep it that way.

Kids will disagree. They will get cross. They will fall out sometimes.

That is normal.

What we want them to learn is how to deal with disagreement without becoming physical.

Talk. Walk away. Ask an adult for help.

You can help us by using the same message at home.

Ready. Respectful. Safe.

Same message. Same expectations. School and home working together.

Attendance — it's time to be in Moor Nook

Stuck? Let us help you. We're on the same side. Promise.

We're off the bottom! Get in folks..... Decile 9 – get to Decile 8 by half term, and the ice creams are on me – do you best kids – see you mates, have the fun, learn the stuff – get in to The Nook!

Number of pupils ⁱ	Overall attendance %	Overall absence %	Unauthorised absence %
165	93.6%	6.4%	2.6%
Persistently absent			
Number of persistently absent pupils	Percentage of persistently absent pupils	Number of severely absent pupils	Percentage of severely absent pupils
27	16.4%	6	3.6%

Your overall attendance 94.3%	You are in decile 9, the bottom 10-20% of schools
--	--

Attendance — Decile 9! 🐛

Look at that... **94.3%** and we've climbed into **decile 9**.

Still not where we want to be, but definitely moving in the right direction.

Our target was to reach **decile 8 by half term** — and suddenly that feels very doable.

Thank you to families for getting kids in, on time and ready for the day.

Every day really does matter.

It's time to come back to Moor Nook... and now it's time to keep coming!

Rip it and Pin it
