A Word from Andy, Rob and Andrea

This week, Lancashire came to see us.

They told us that what has happened at Moor Nook has never been seen before. Not like this. Not this fast.

They said teaching is good. Behaviour is good. The kids are making fantastic progress. And they have complete faith in our staff.

We came out of that meeting grinning.

Ofsted will visit soon. We're only a bit worried! We want them to see what Lancashire saw.

This is down to you too. Thank you.

There is still work to do. So we keep going.

Ready. Respectful. Safe.

It's time to come back to Moor Nook.

Stuck? Let us help you. We're on the same side. Promise.

This Week's Focus - Join us, help us, support us

Number of pupils ⓘ 165	Overall attendance % 93.6%	Overall absence % 6.4%	Unauthorised absence % 2.6%
Persistently absent Number of persistently absent pupils 32 Percentage of persistently absent pupils 19.4%		Severely absent Number of severely absent pupils 2 Percentage of severely absent pupils 1.2%	
Your overall attendance 93.7%		You are in decile 10, the bottom 0-10% of schools	

Attendance has dipped a little.

But here's the good news. It is still better than this time last year.

And this week has been a great week. The numbers just haven't caught up yet. Give it time.

Every day counts.

One day off every two weeks doesn't sound like much. But over a school year, that adds up to nearly four weeks of school missed.

If something is making mornings hard, come and talk to us. We will help.

It's time to come back to Moor Nook... and it's time to keep coming!

Stuck? Let us help you. We're on the same side. Promise.

This question –

Tick the top one for consent.

Tick the 2nd one if your child is not allowed gelatine

Tick the 3rd box if you don't want your child to have the vaccine

Do you agree to your child having the flu vaccination in school?

The nasal flu spray contains gelatine which comes from pigs.

- ☐ Yes, I agree to them having the nasal spray vaccine
This is the recommended option and gives the best protection against flu
- ☐ Yes, I agree to the alternative flu injection
This is suitable for children who do not use gelatine products, or if they cannot have the nasal spray vaccine for medical reasons
- ☐ No
If you do not agree to the vaccination, you'll get a chance to tell us why

Then we have

If your child cannot have the nasal spray, do you agree to them having the injected vaccine instead?

We may decide the nasal spray vaccine is not suitable. In this case, we may offer the injected vaccine instead.

- ☒ Yes
- ☐ No

I've never known this to be the case – it's your call. I'd say yes

Then theres loads more question, until you get this, if you have offered consent.

Consent confirmed

Andy Purcell is due to get the nasal spray flu vaccination at school on Friday 23 October

Stuck? Let us help you. We're on the same side. Promise.
