Dear Parents/Carers

As I'm sure most of you know by now, we have had our first confirmed positive case of COVID-19. This has affected Nursery and Reception and any children who attended Breakfast Club on Monday and Tuesday this week. These children are now self-isolating and their parents will have received an additional letter containing further information about the procedure to follow.

We are confident we took action this morning as soon as we were informed and that we have identified everyone who has had close contact with our positive case.

All children who are self-isolating should access work via the website in the same way that they did during the previous lockdown – under the tab 'School Closure Home Learning' then by accessing their individual class. The contact email for each classteacher is also listed. Work for Nursery and Reception has already been uploaded. Years 1 to 6 will have work in place by Monday at the latest – I'm sure you'll appreciate that some teachers are still teaching their class as well as providing work for home learning so it may take them longer to organise this.

There is no need for siblings of the children who are self-isolating to stay off school unless the child who is isolating develops symptoms.

Any parents of children who are eligible for free school meals will be contacted about this by the school office as soon as arrangements are in place.

Although we have always known that we may have positive cases at some stage, it was heartbreaking this morning to have to turn children away from school. A huge thank you to all the parents I spoke to for your words of support, they were much appreciated at a difficult time.

Please contact the school office if you have further queries of any kind.

Yours sincerely,

Suzanne Clough  
Headteacher
