

Moor Nook Community Primary School

Lettings Policy

November 2023

1. The Governing Body actively encourages community use of the school buildings. However, it reserves the right to refuse any lettings it may choose.
2. Where governing bodies hire or rent out school or college facilities/premises to organisations or individuals (for example to community groups, sports associations, and service providers to run community or extra-curricular activities) they should ensure that appropriate arrangements are in place to keep children safe. When services or activities are provided by the governing body or proprietor, under the direct supervision or management of their school or college staff, their arrangements for child protection will apply. However, where services or activities are provided separately by another body this is not necessarily the case. The governing body should therefore seek assurance that the provider concerned has appropriate safeguarding and child protection policies and procedures in place (including inspecting these as needed); and ensure that there are arrangements in place for the provider to liaise with the school or college on these matters where appropriate. This applies regardless of whether or not the children who attend any of these services or activities are children on the school roll or attend the college. The governing body or proprietor should also ensure safeguarding requirements are included in any transfer of control agreement (i.e. lease or hire agreement), as a condition of use and occupation of the premises; and that failure to comply with this would lead to termination of the agreement. The [guidance on Keeping children safe in out-of-school](#) settings details the safeguarding arrangements that schools and colleges should expect these providers to have in place.
3. School and college safeguarding policies should set out the arrangements for individuals coming onto their premises, which may include an assessment of the education value, the age appropriateness of what is going to be delivered and whether relevant checks will be required. Schools and colleges may receive an allegation relating to an incident that happened when an individual or organisation was using their school premises for the purposes of running activities for children (for example community groups, sports associations, or service providers that run extra-curricular activities). As with any safeguarding allegation, schools and colleges should follow their safeguarding policies and procedures, including informing the LADO.
4. The hirer must be willing to meet with school officials and provide details of their aims and objectives. Hirers should follow the appropriate keeping children safe in education guidance [After-school clubs, community activities, and tuition - safeguarding guidance for providers \(publishing.service.gov.uk\)](#)
5. The Governing Body will ensure that the school budget does not subsidise non-school activities and that all costs are recovered. Charges will be reviewed annually by the Governing Body.
6. Each hirer using the school will be required to nominate a contact person. Such a person is deemed to be in charge and able to investigate any difficulties which may arise.
7. The Governing Body will determine if a nominated person from school is required on site when the premises are being used. If not, a responsible person must be on call.
8. A Letting Application / Indemnity Form must be completed by all applicants. A signed copy of the application form, if approved by the school, will be returned to the hirer. For long term lettings application forms will be reviewed on an annual basis.
9. No lettings will be approved giving the user exclusive possession (note: this is a legal requirement, not to be confused with a sole letting).
10. Any hirer that uses the school must be adequately insured (with a minimum of £5m public liability insurance) and insurance documents must be attached to the application.
11. All hirers must comply with health and safety legislation.

12. The hirer is responsible for following safer recruitment procedures including that DBS checks have been undertaken and other elements that may be relevant for working with children. [At least one person present has DBS clearance.](#)
13. Arrangements for the payment of each letting will be made in advance with the hirer concerned.
14. Smoking [and e-cigarettes](#) are not allowed on the premises in line with school policy.
15. Alcoholic Drinks –
 - a. An occasional licence must be obtained, where appropriate, by the hirer. The Licensee is responsible for conduct of bar sales, etc.
 - b. No alcohol is to be stored or retained on the premises when pupils are in school.
16. [The toilet available for use during lettings when there is access into school, is the disabled toilet on the ground floor.](#)
17. [All amenities to be left as found. School resources must not to be used, unless school have given signed permission.](#)

5 VAT Regulations Relati *If you answer yes to any of these, please provide further details on a separate sheet

Room hire alone is exempt. For example the local Brownies hiring the school hall or sports hall for a table top sale would be exempted from VAT.

If the local football club hired the school hall (NOT a sports hall) to play football, the letting would be exempt as the hall is not a sports facility.

If the local football club hired the school sports hall to play football as a one off letting, it would be standard rated.

Premises are sports facilities if they are designed or adapted for playing any sport or taking part in any physical recreation, such as swimming pools, football pitches, dance studios and skating rinks. Each court or pitch (or lane in the case of bowling alley, curling rink or swimming pool) is a separate sports facility.

However, if the same football club hired the school sports hall for a series of lets, they will be exempted from paying VAT if they meet all the following criteria:

- The bookings are for at least 10 sessions
- The interval between the sessions is not less than 1 day and no more than 14 days apart
- The bookings are all for the same activity
- The whole series is to be paid for (there must be written evidence of this)
- The grantee has exclusive use of the facilities
- The grantee is a school, club, an association or an organisation representing affiliated clubs or constituent associations.

I/WE HAVE READ THE CONDITIONS OUTLINED ABOVE AND APPLY TO BE EXEMPT FROM PAYING VAT AS WE FULFIL ALL THE ABOVE CRITERIA
